

Angela P. Bello

STATEMENT

I am a Visual Communication Designer with a track record in creative solutions to challenging projects. What makes me unique is a background in engineering. As an engineer I developed critical thinking, problem-solving, time management, organizational and interpersonal communication skills. This combination of education and experience enables me to approach visual design challenges with confidence and enthusiasm.

SKILLS

Illustrator	HTML / CSS
Photoshop	XD/ Invision
InDesign	JavaScript
After Effects	Maya
Dreamweaver

EDUCATION

BACHELOR OF FINE ART - DESIGN AND MEDIA ARTS 2021
NORTHERN ILLINOIS UNIVERSITY DEKALB, ILLINOIS

I develop the ability to solve visual problems and translate ideas in visual terms. Also, I understood the wide range of contemporary and historical visual culture and its role in society. Throughout art history courses and hands on projects, I build the ability to receive and process criticism on creative work.

ASSOCIATE IN APPLIED SCIENCE GRAPHIC DESIGN 2019
COLLEGE OF DUPAGE GLEN ELLYN, ILLINOIS
HIGH HONOR DEGREE

During the program, I develop my portfolio and website. As well as my soft skills in communication and team work.

BACHELOR SCIENCE MECHANICAL ENGINEERING 2007
LOS LIBERTADORES UNIVERSITY BOGOTÁ, COLOMBIA.
During several years, I worked as an Designer Engineer in Petrochemical Consulting and Water Treatment Industries.
